

COME ONE – COME ALL!
(You do not even need to be a leader!)

Whether you are in high school, university, starting a career, ready to retire or well past three score and 10, this is an opportunity that will challenge you to grow toward more effectively serving here at WBC!

If I could recommend one affordable and transformational church conference that everyone should attend, it would be The Leadership Summit. This annual gathering of world class faculty invigorates and encourages me to begin a new ministry year each summer. Aside from daily devotions and prayer with the Lord, nothing better prepares me for ministry than this two day conference.

“The Leadership Summit exists to transform Christian leaders around the world with an annual injection of vision, skill development, and inspiration for the sake of the local church.”

To say this is done with excellence is an understatement! The amount of material offered to equip, encourage, inspire and transform the local church through its leaders is astounding. It is such a spectacular asset that we want to allow everyone the opportunity to experience and be changed by what was presented at Leadership Summit 2009.

Over the winter months, Pastor Andy will be hosting each of the sessions offered this past August for everyone who wishes to come. In fact, we are so sure that this church can be radically transformed by the Spirit of God through this biblically based, fast paced, high challenge opportunity, that we are offering it in two different time slots.

(see over for schedule and details)

First: beginning **Wednesday, January 13 at 7:00 pm and continuing each Wednesday night** (except for the Annual Business Meeting and snow storm cancellations) through until Easter time, we will be offering this as our mid week educational opportunity here on site. Second: If weekends are better for you, **the first Saturday of every month (except April) at 9:00 am from February through May**, we will be watching and discussing three sessions in one sitting.

This is a great opportunity for those currently serving or aiming to serve and lead in ministry here to be well equipped and challenged to hone your skills and abilities. The truths and empowering you receive will impact your everyday life too, whether as leader in your home, at work or other recreational pursuits.

Saturday, February 6 9 am – 2 pm
