- For God's faithfulness and protection.

Prayer:

- Arlene will be part of team that will be leading Journey Group in March and April. Pray for the leading of the Holy Spirit as people begin to explore their story and move towards healing.
- We continue to pray that someone would come to take on the Office Administrator role as my desire is to do mentoring and discipleship full-time.

Nick & Vivian
Helliwell
Regina, SK
Men's Ministry
Community
Ministry

Praise & Prayer:

- Praise the Lord for health! Nick continues to improve and is doing very well in his health. His doctors are pleased where he is at physically.
- Nick will be speaking to a student club, Power to Change (P2C), at the University of Saskatchewan of Saskatoon on March 16. The topic is "First Nations Tradition and Christianity". While I am excited about this opportunity, I am also quite nervous about it.
- On a similar note, Nick will also be presenting a response to the 60's scoop proposed settlement which needs to be completed before April 30.

- We still need prayer over our finances. We are very grateful for the support that has been coming in although our income has not increased, but thank God it has been steady and stable. Of course, every season has it's expenses and we seem to be walking a very narrow margin. God is faithful and we are committed and continue to tithe on every dollar, knowing that it is God who keeps us afloat.
- We praise the Lord for the support that came specifically to provide the children with a City leisure pass and extracurricular activities. The kids are making really good use of these things, since we live so close to facilities.
- Vivian and I have started to take Cree language lessons offered by the City of Regina and the Regina Public Library. We take along the kids and as a family are really enjoying them.
- There are a number of projects coming up for Nick as he also is finishing the 2017 contract on March 31 and starting a new one April 1. Praise the Lord for this ongoing work, the income it brings in, and all the support and encouragement from all the staff at RPCC who truly helped us make it through this past year.
- We need to plant a garden this year and in order to do that must remove two large mature trees in our back yard in order to gain the space and sunlight required. We are praying for help in this labor in order to minimize costs.
- Each child has unique needs and we as parents are doing our best to manage where each child is at. Please pray for wisdom, patience and resources where required.

Ed & Danielle
Stewart
Regina, SK
Worship
Board Member

Prayer:

- For Ed as he has started his next class and this makes for a very busy time for us. God has been so good to us and classes seem to be going well; pray that this one will be no different.
- That we would keep in step with the Spirit and not miss the good God has for us and those around us.

Elaine Wiens
Regina, SK
HHM
Bookkeeper

Praise:

- A fairly smooth transition to a different computer and a new program to track donations. This was a huge concern for me, being somewhat technically challenged, but God knows it ALL. Yay, God!

Prayer:

- For me as I prepare for the year-end audit and charitable return.

Kelly & Nancy
Morton
Regina, SK
Youth, Ladies &
Prayer Ministry
Board Member

Praise:

- God is changing the hearts and lives of the women in Healing Hearts as we listened to one of our gals share a part of her walk with us and how the redemptive power of Christ has transformed her life.
- As God is changing and growing the ministries we are involved with and developing.
- Our youngest is hoping to start driver ed. Our daughter is looking at nearly completing her first year at Bible College. Our two eldest sons are looking at starting new jobs.

Prayer:

- That God is the voice that is removing conflict and guiding not only our hearts and paths but those we minister to.
- The time spent ministering to others will have a depth beyond our conversations. That understanding and conviction would be felt in how free a life with God is.
- Nancy has had to change how she is doing ministry because of low financial support. For over a year it has been a challenge but God has been FAITHFUL in speaking to her as we are anticipating many new changes and a strong support team.

Thank you for
your prayers!

The month of March marks one year serving as General Director of NCEM and our continuing role as Executive Director of Healing Hearts. We PRAISE GOD for His strength, faithfulness and grace to carry us into these new challenges. We are grateful for folks transferring financial support to Healing Hearts Ministry, Inc. and standing behind us in prayer, as well.

Praise:

- New applicants for both NCEM & HHM to serve as missionaries.
- Our daughter, Caylea's gradual recovery after cancer treatments.
- Safe travels to remote points in Northern Canada.

Prayer:

- As we evaluate our schedule and priorities for the next few months. We are learning to pace ourselves in travel and office work, while maintaining two residences and keeping up with our family.
- Wisdom to give direction and encouragement to both ministries.
- Upcoming surgical procedures for Caylea (repair on scar) and Daniel (work/sports) injuries in left shoulder.
- For us to take our leadership skills and relationships towards growth and maturity; that we would serve with grace and love as our motives.

Praise:

- Community life is being established at Healing Hearts Church Nipawin! Although our numbers are few, we have been meeting regularly for fellowship, Bible Studies, events and getting together as friends. God is Good, and although we aren't seeing a huge numbers increase, we vey much enjoy watching each other get into God's Word and letting Him grow us!!
- The Kids church that we have been leading is also flourishing. Many children come as a place to belong and they enjoy connecting with our faithful leaders and learning the truth from God's Word.

Prayer:

- We have had a season of sickness and spurts of busyness that threaten to swamp us; we need prayer that God will help us to learn to rest in Him. It is His work here and we need daily wisdom to discern which responsibilities He is giving us and which one we are taking on unwisely.
